NEWSLETTER FROM ANT INTERNATIONAL No.34 2017

Participate in our Top Fuel 2017 event!

Share your business card with us at our booth for a chance to win one of the 3 optional Online Education courses (\$24 000 value).

Our courses provide training and knowledge in the areas of Nuclear Fuel, Structural Materials and Coolant Chemistry.

The course material is online based and can be accessed at times convenient for practicing engineers and managers.
